Article Number: 110-95000

Description: Mark 9 Stainless Steel - Tie Tensioning and Cut-Off Tool w/ Adjustable settings for all stainless steel ties

Base Data	Local Order Number	MK9SST
	Type	MK9SST
	Color	Gray (GY)
	Features and benefits	<p>With its lightweight, ergonomic design, the MK9SST is an ideal tool for applying the MBT-series stainless steel cable ties. Although it is used for applying stainless steel ties, the MK9SST enables work to be carried out without operator fatigue and is easy on joints.</p> <p>For easier handling the tensioning is fully adjustable by means of a quick two-level control with an additional fine setting. This avoids damage and constrictions to the bundled materials. The cable ties are cut off automatically flush with the head when the preset tensioning level has been reached.</p>
	Quantity Per	pieces
	Product Description	MK9SST
	Technical Description	Adapted for use with stainless steel ties, the MK9 Stainless Steel tool retains the same design feature as the MK9 series.
	Short Description	Mark 9 Stainless Steel - Tie Tensioning and Cut-Off Tool w/ Adjustable settings for all stainless steel ties
	Product Dimensions
